MEMORANDUM FOR DESIGNATED AGENCY ETHICS OFFICIAL

SUBJECT: SCREENING ARRANGEMENT

This memorandum is to inform you of the updated screening arrangement I have implemented to help ensure that I do not participate in "particular matters" with which I have a personal or business relationship. My obligations are set forth in the Ethics Agreement I signed prior to my confirmation by the United States Senate, and amended to acknowledge my obligations under the Administration's Ethics Pledge. These arrangements supersede those dated January 25, 2017.

ETHICS PLEDGE OBLIGATIONS:

Prior positions

Pursuant to the Administration's Ethics Pledge, unless I am granted a waiver pursuant to Section 3 of Executive Order 13490, and, in my first year of service, unless you, as Designated Agency Ethics Official, authorize me to participate, I understand that, I am disqualified from participating in any particular matter involving specific parties in which any of the following entities in which I previously held a position is a party or represents a party for two years until on or about January 21, 2019:

General Dynamics
Theranos, Inc.
Marines' Memorial Club
Hoover Institution
Center for a New American Security
Marine Corps Scholarship Foundation.
Tri-Cities Food Bank (Kennewick, WA)

ETHICS AGREEMENT OBLIGATIONS

Stock holdings

Unless I receive a waiver or qualify for a regulatory exemption, I understand I am disqualified from participating in any "particular matter involving specific parties" that to my knowledge has a direct and predictable effect on General Dynamics until I have divested all my General Dynamics stock and stock options. I understand I have agreed to divest those holding no later than 90 days from my confirmation or April 20, 2017. In sum, until I divest any disqualifying interest in General Dynamics, you, in your capacity as Designated Agency Ethics Official, may *not* authorize me to participate in particular matter involving the financial interest of General Dynamics. I

AMERICAN OVERSIGHT
Am. Oversight v. DoD, 19-cv-00618, 000176
DOD-18-0860-A, DOD-18-0861-A-000176

would have to seek a written waiver pursuant to 18 U.S.C. § 208(b)(1) from you in coordination with the Office of Government Ethics.

Unless I receive a waiver or qualify for a regulatory exemption, I understand I am disqualified from participating in any "particular matter involving specific parties" that to my knowledge has a direct and predictable effect on Theranos, Inc., for so long as I hold any interest in the company.

Book deal

I have a publishing agreement with Random House Publishers for royalties from the future publication of an untitled book that I have written. I understand I may l not participate personally and substantially in any particular matter involving specific parties in which I know Random House Publishers is a party or represents a party, unless you, as Designated Agency Ethics Official, authorize me to participate.

SCREENING ARRANGEMENTS:

I am directing that the screeners identified below direct all particular matters involving the entities set forth above to the Deputy Secretary, or, in his or her absence, another senior Defense official for appropriate disposition. If the Deputy Secretary or alternate official believes my participation in a particular matter is important, he or she will contact you, the Designated Agency Ethics Official, via the DoD Standards of Conduct Office (SOCO). If you determine that the interest of the Government in my participation outweigh any appearance of impropriety, you will, depending on the circumstances, make a written determination specifically authorizing my participation in the particular matter pursuant to 5 C.F.R. § 2635.502 or request a waiver pursuant to 18 U.S.C. § 208(b)(1).

In order to ensure that I do not participate in matters relating to these entities without appropriate approval or waiver, I am taking the following steps:

- I am instructing my Chief of Staff, Military Assistants, Executive Secretary, and other designated Administrative Assistants to screen all matters directed to my attention that involve outside entities, or that require my participation, to determine if they involve any of the individuals, entities, or organizations listed above.

- If any screener determines that any of these entities or organizations is or represents a party in the matter, he or she will refer the matter to the Deputy Secretary or appropriate alternate for action or assignment without my knowledge or involvement.

AMERICAN OVERSIGHT

Am. Oversight v. DoD, 19-cv-00618, 000177

DOD-18-0860-A, DOD-18-0861-A-000177

- In order to help ensure that I do not inadvertently participate in matters from which I should be recused, I am directing each of my screeners to seek the assistance of SOCO if he or she is uncertain whether I may participate in a matter.

In consultation with SOCO, I will revise and update this memorandum if warranted by changed circumstances, including changes in my financial interests, my personal or business relationships, or the nature of my official duties. I will provide a copy of the revised screening arrangement memorandum to my special assistant and to you.

MEMORANDUM FOR DESIGNATED AGENCY ETHICS OFFICIAL

SUBJECT: SCREENING ARRANGEMENT

This memorandum is to inform you of the updated screening arrangement I have implemented to help ensure that I do not participate in "particular matters" with which I have a personal or business relationship. My obligations are set forth in the Ethics Agreement I signed prior to my confirmation by the United States Senate, and amended to acknowledge my obligations under the Administration's Ethics Pledge. These arrangements supersede those dated January 25, 2017.

ETHICS PLEDGE OBLIGATIONS:

Prior positions

Pursuant to the Administration's Ethics Pledge, unless I am granted a waiver pursuant to Section 3 of Executive Order 13490, and, in my first year of service, unless you, as Designated Agency Ethics Official, authorize me to participate, I understand that, I am disqualified from participating in any particular matter involving specific parties in which any of the following entities in which I previously held a position is a party or represents a party for two years until on or about January 21, 2019:

General Dynamics
Theranos, Inc.
Marines' Memorial Club
Hoover Institution
Center for a New American Security
Marine Corps Scholarship Foundation.
Tri-Cities Food Bank (Kennewick, WA)

ETHICS AGREEMENT OBLIGATIONS

Stock holdings

Unless I receive a waiver or qualify for a regulatory exemption, I understand I am disqualified from participating in any "particular matter involving specific parties" that to my knowledge has a direct and predictable effect on General Dynamics until I have divested all my General Dynamics stock and stock options. I understand I have agreed to divest those holding no later than 90 days from my confirmation or April 20, 2017. In sum, until I divest any disqualifying interest in General Dynamics, you, in your capacity as Designated Agency Ethics Official, may *not* authorize me to participate in particular matter involving the financial interest of General Dynamics. I

Am. Oversight v. DoD, 19-cv-00618, 000285

would have to seek a written waiver pursuant to 18 U.S.C. § 208(b)(1) from you in coordination with the Office of Government Ethics.

Unless I receive a waiver or qualify for a regulatory exemption, I understand I am disqualified from participating in any "particular matter involving specific parties" that to my knowledge has a direct and predictable effect on Theranos, Inc., for so long as I hold any interest in the company.

Book deal

I have a publishing agreement with Random House Publishers for royalties from the future publication of an untitled book that I have written. I understand I may l not participate personally and substantially in any particular matter involving specific parties in which I know Random House Publishers is a party or represents a party, unless you, as Designated Agency Ethics Official, authorize me to participate.

SCREENING ARRANGEMENTS:

I am directing that the screeners identified below direct all particular matters involving the entities set forth above to the Deputy Secretary, or, in his or her absence, another senior Defense official for appropriate disposition. If the Deputy Secretary or alternate official believes my participation in a particular matter is important, he or she will contact you, the Designated Agency Ethics Official, via the DoD Standards of Conduct Office (SOCO). If you determine that the interest of the Government in my participation outweigh any appearance of impropriety, you will, depending on the circumstances, make a written determination specifically authorizing my participation in the particular matter pursuant to 5 C.F.R. § 2635.502 or request a waiver pursuant to 18 U.S.C. § 208(b)(1).

In order to ensure that I do not participate in matters relating to these entities without appropriate approval or waiver, I am taking the following steps:

- I am instructing my Chief of Staff, Military Assistants, Executive Secretary, and other designated Administrative Assistants to screen all matters directed to my attention that involve outside entities, or that require my participation, to determine if they involve any of the individuals, entities, or organizations listed above.

- If any screener determines that any of these entities or organizations is or represents a party in the matter, he or she will refer the matter to the Deputy Secretary or appropriate alternate for action or assignment without my knowledge or involvement.

Am. Oversight v. DoD, 19-cv-00618, 000286

DOD-18-0860-A, DOD-18-0861-A-000286

- In order to help ensure that I do not inadvertently participate in matters from which I should be recused, I am directing each of my screeners to seek the assistance of SOCO if he or she is uncertain whether I may participate in a matter.

In consultation with SOCO, I will revise and update this memorandum if warranted by changed circumstances, including changes in my financial interests, my personal or business relationships, or the nature of my official duties. I will provide a copy of the revised screening arrangement memorandum to my special assistant and to you.
